

The Origins and Evolution of the Palestine Problem - Part 1 -5

Part I, published in 1978, offers historical background of the question of Palestine reaching as far back as 1915. This part surveys in detail the period 1917 to 1947, during most of which Palestine was governed under a mandate granted by the League of Nations.

Part IV, added in 1990 to the three previously published parts, covers the period 1984 to 1988, during which a series of landmark events took place. These developments signified a qualitatively new phase in the evolution of this long-standing political, socio-economic, humanitarian and moral problem, still awaiting its resolution.
